

Chamber module LW 1000 floor slab Access LW 800, 870-1119 mm, Class B

Article information

Item no.: 8740142 GTIN: 4026092070086 Price group: 60

Advantages

- For modular assembly with simple connection segments and intermediate sections 250 and 500 mm high
- Innovative honeycomb structure
- Installation in groundwater up to 3000 mm

Description

. .

~

. . . .

The chamber module for wet or dry installation is equipped with fitted access steps in accordance with DIN EN 13101 and BGR 177, all the necessary seals and connecting wedges as well as a taper with vertically adjustable upper section. The intermediate sections made of permanently resistant polymer (PE) have universal connection possibilities. Thanks to the modular KESSEL system, the design can be flexibly combined with intermediate sections, taper, upper section and cover.

General characteristics	
Colour:	black
Material:	PE-HD
Standard:	EN 13598-2
Installation situation:	underground installation
Delivery state:	Partly for on-site assembly (access steps have been pre-mounted in the factory)
Inlet max. scoring (DN):	Z-42.1-527
Dimensions	
Net weight:	168,6 kg
Gross weight:	188,46 kg
Groundwater resistant from lower edge of base section:	3000 mm

Installation depth: Vertical adjustment: Length: Width: Packaging dimension: Packaging dimension: Packaging dimension:
